

Services & Price Guide 2026

Welcoming websites and digital support
for small organisations.

Hi, I'm Ceri! I'm a **one-person studio**, so you'll always deal with me directly —no jargon, just friendly, patient help. These prices are intended as a guide. Every project is different, so I'll provide a personalised quote based on your organisation's needs.

Website Packages

● Community Website

Typically £500–£900

- ✓ Up to 5 pages
- ✓ Mobile friendly
- ✓ Contact form
- ✓ Basic search engine setup
- ✓ Basic accessibility checks
- ✓ Written guidance for making basic website updates

● Growing Organisation Website

Typically £800–£1,200

- ✓ Up to 10 pages
- ✓ Blog or news section
- ✓ Newsletter signup
- ✓ Mobile friendly
- ✓ Accessibility checks
- ✓ Written guidance for making basic website updates

● One Page Community Website

From £150

Built using Canva Websites. Perfect for small organisations, individuals, community projects and events that need a simple, professional online presence with low ongoing costs (and in some cases, none).

- ✓ Contact form
- ✓ Mobile friendly
- ✓ Accessibility checks
- ✓ Written guidance for making basic website updates

Monthly Support Packages

● Website Support

£35/month

Up to 1.5 hours of flexible support each month for small website updates, including:

- Updating text and images
- Adding news and events
- Checking contact forms
- Website related email support

● Bespoke Support

Monthly support packages can be tailored for your organisation. Contact me for a personalised quote. Support may include:

- Website updates
- Newsletter support
- Social media graphics
- Event promotion
- Communications support

Additional or occasional support is available at £25 per hour, subject to availability.

Unused support time does not carry over to future months. Monthly support can be cancelled at any time.
